

HOME BUYERS LIKE NEW SUBURB

Following the announcement of the Cranbourne South suburb name change to Botanic Ridge, earlier this year, our residential estate has experienced record sales with new homebuyers eager to become a part of Casey's newest home address.

Welcoming over 60 new homeowners in the past three months alone, the estate has nearly tripled its sales rate in the past year and is now attracting a host of buyers looking to live within the region's newest community.

Simon and Eva Fraser are buyers happy to be a part of this growing community and new suburb.

Mrs Fraser said the development of the estate into the suburb name was a bonus for her young family, as they believe it provides a greater sense of place to the residents.

"Cranbourne is a quite a big place so when we tell people we are living at Botanic Ridge they will have more of an idea of where we are. It's a really peaceful community atmosphere here, and a great place to live," Mrs Fraser said.
