

It's easy being green

CRANBOURNE South Primary School pupils got close to nature for Schools Tree Day last week.

They happily got behind the Planet Ark event, with the help of staff of Patterson Cheney Toyota and the City of Casey, by planting shrubs at Botanic Ridge estate.

National Tree Day is Australia's biggest community tree-planting event. Since it started in 1996 more than 1.5 million volunteers have planted over 11.5 million native trees and shrubs.

Plant the planet: Teacher Ken Schofield, Adam, Grace, Jordan and Casey natural resource officer

Lachie Marshall.
