

Pretty in pink

Olivia and Jordana had a blooming good time at Botanic Ridge last week, promoting the launch of Pink in the Park for cancer research to be held from noon-2pm this Friday. The event, which will raise funds for The Cancer Council Victoria's Pink Ribbon Day, will include a barbecue and a bevy of pink-themed activities for children and adults, including fairy floss, jumping castle, face-painter, a fairy princess magic show and lots of pink goodies. Two children's bikes will be raffled. **Picture: Marco De Luca**
